The Light Electric Vehicle Association (LEVA) Introduces New 2012 Silver Sponsor: Tianjin Flying Pigeon Electric Bicycle Manufacture Co., Ltd.

(ORONO, ME) January 3, 2012. LEVA is pleased to announce that Tianjin Flying Pigeon Electric Bicycle Manufacture Co., Ltd. is a new 2012 Silver Sponsor. They join Gold Sponsors, Prodeco Technologies (USA); Silver Sponsor, Suzhou Bafang (8fun) Electric Motor Science Co., Ltd. (China); and Bronze Sponsor, Tianjin Lishen Battery Joint-Stock Co. Ltd. (China).

One of the most famous brands in the world, known to literally billions of people, Flying Pigeon is one of the largest bicycle makers in China. For decades this brand was the sought after, premier bicycle, for China. In recent years, Flying Pigeon has developed electric bicycles that are exported to Western brands as well as sold in China.

As part of the Flying Pigeon group, Tianjin Flying Pigeon Electric Bicycle Manufacture Co., Ltd. has been in the electric bicycle business specializing in both R&D and production of electric bicycles. The company covers 36,000 square meters. Production capacity reaches 400,000 units per year with more than 60 engineers and 300 workers.

For the past eight years, Tianjin Flying Pigeon Electric Bicycle Manufacture Co., Ltd. has exported e-bikes to Europe, North America, South America, South Africa, South East Asia, and Australia. The company is constantly learning about the overseas market by attending international trade shows, visiting local brand managers and IBDs and talking with industry professionals. The Flying Pigeon electric bicycles have passed both CE and EN testing, with 14 models gaining the EN certificate from TUV so far. Their experience from 56-years of market tests make Flying Pigeon the most efficient and high quality Chinese e-bike OEM available on the market today. Their export accounts for 10% of Flying Pigeon's business with Europe and the USA as the most important markets.

Quality has been the focus of the company. In addition to strictly following the ISO9001-2000 standard, Flying Pigeon has developed its own quality assurance and testing procedures for export products, improved and approved by its overseas customers, who are also highly impressed by its strong after-sales support.

Tianjin Flying Pigeon Electric Bicycle Manufacture Co., Ltd. spares no efforts to satisfy the requirements of every customer with consistent quality, reasonable prices and outstanding service. The company guarantees its customers the high quality of its products by the brand, Flying Pigeon. For more information about Flying Pigeon, visit them at
